Whether you need a space for a seminar, conference, workshop, or networking event - our meeting rooms can be used for a range of different occasions.

We have three spacious meeting rooms on Level 4, which can be combined to create a larger space that allows up to 120 people, or to provide room for catering and breakout space.

Level 2 has smaller meeting rooms which are suitable for interviews or meetings of up to eight people.

Our newly opened Level 16 conference centre features eight brand-new meeting rooms with unmatched sea views and natural light.

We have meeting rooms fitted with the latest advancements in video conferencing and presentation equipment.

Our onsite events coordinator, Chloe, can guide you through every aspect of your booking - from room setups to catering options and beyond.
